THE GENTING DREAM NEW UPDATES [1]

Dear guests,

Resorts World Cruises is pleased to announce that it will be the first cruise line to add a Kuala Lumpur homeport (via Port Klang) for the Genting Dream starting 18 July 2022, in addition to the Singapore homeport currently. With the dual homeport options, travelers can now choose to embark from either Singapore or Kuala Lumpur.

In view of this, kindly be informed of the latest updates and adjustments to the existing itineraries starting from 17 July 2022 onwards to facilitate the operations of the dual homeport. We sincerely apologize for any inconvenience caused.

Below is the latest information on the change of itineraries.
