RESORTS WORLD CRUISES ANNOUNCEMENT
Update on Genting Dream Safety Management Measures

Dear Guests,

In line with Singapore's Multi-Ministry Taskforce's announcement on 24 August recently, kindly be informed with effect from 29 August 2022, guests embarking on the Genting Dream from either homeport in Singapore or Port Klang (Malaysia) will no longer be required to undergo a pre cruise Antigen Rapid Test (ART) for COVID-19. In addition to the announcement, mask-wearing at indoor venues on board the ship will no longer be required as per the Singapore ministry's latest guidelines. However, all cruising guests above the age of 12 (13 years and older) will still be required to be fully vaccinated to be eligible to cruise.

Resorts World Cruises will continue to work closely with the relevant authorities to adhere to all prevailing national safe management measures to continue to safeguard and provide peace of mind for our guests and crew.
